# The Washington and Lee Swing

Come cheer for Washington and Lee
We're gaing to win another victory.
The White and Blue we will ever wave in triumph
for the University. Rah! Rah! Rah!
Fight to the finish, we are with you,
Break through the line on every play,
Rush the ball on down the field,
And we will win this game today

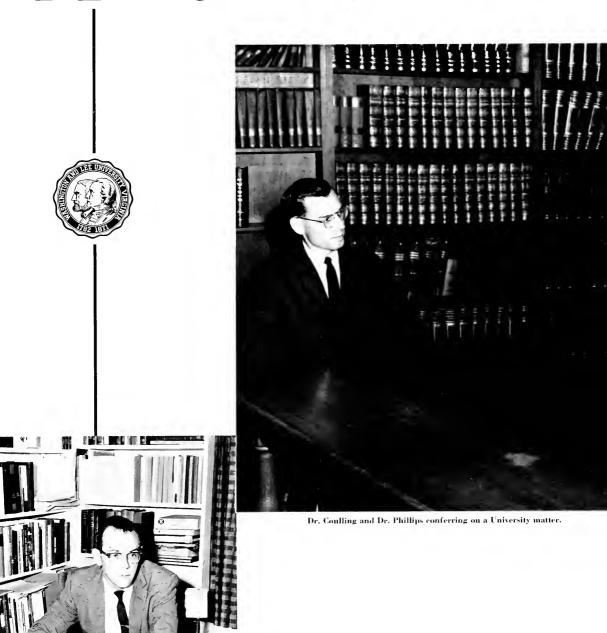

When Washington and Lee's men fall in line, We're going to win again another time. For W & L, I yell, I yell, I yell.
And for the University I yell, I yell, And we will fight, fight, fight for every yard, Circle the ends and hit the line right hard, And we will roll old Sweet Briar on the sod. Rah! Rah! Rah!

# **DEDICATION**

DR. CHARLES F. PHILLIPS

DR. SIDNEY M. B. COULLING

To Two Friends and Teachers
Who Symbolize the Spirit
Of The W. & L. Swing

DR. SIDNEY M. B. COULLING
DR. CHARLES F. PHILLIPS. Jr.

Just as the Washington and Lee Swing has represented the progressive course that our University has pursued during the past few years, so have two of the younger members of the Faculty become symbolic of this pervading attitude. Both of these men are endowed with active and inquiring minds and have established reputations for demanding academic excellence. Both have distinguished themselves for their fairness, friendship, encourage-

ment, and the fact that their offices are always open for counsel and advice. Both are energetic and ambitious and are presently engaged in active research. In short, we look upon these two menour contemporaries in spirit—as symptomatic of the driving force here at Washington and Lee, and it is with deep respect and gratitude that we dedicate this 1962 Calvy to SIDNEY M. B. COULLING and CHARLES F. PHILLIPS, JR.

# President of the University

# DR. FRED CARRINGTON COLE

Dr. Fred Carrington Cole was formally installed as president of Washington and Lee University on May 7, 1960. He assumed the duties of the office on September 1, 1959, succeeding Dr. Francis P. Gaines, who had served as president since 1930. The announcement of President Cole's selection as Dr. Gaines' successor was made by the University's Board of Trustees on June 11, 1959.

President Cole came to Washington and Lee from Tulane University where he had served as academic vice-president since 1954. He joined the Tulane faculty in 1946 as an associate professor of history; in 1947 he was promoted to full professor and named dean of the college of arts and sciences.

A scholar of southern history, President Cole received his A.B., W.A., and Ph.D. degrees Iron Louisiana State University in 1934, 1936, and 1941 respectively. While at L.S.U. he served as editorial associate of the Journal of Southern History from 1936-41 and managing editor from 1941-42. He also served as co-editor of the Southern Biography Series and history editor of the Louisiana State University Press.

During World War II he was a gunnery officer in the Navy, and saw extensive sea duty before being placed in charge of the revision of the "manual of the medical department" for the Navy. After active military duty, President Cole served as an editor, writer, and historian for the Air Force for a year.

He has served on various hoards and councils: the Southern Regional Educational Board, the Fund for the Advancement of Education, the Ford Motor Company Scholarship Program, and special consultant to the Ford Foundation in New York City.

Since coming to Washington and Lee, President Cole has been named a trustee of the College Entrance Examination Board and a member of a special study committee of the College Art Association of America.

Washington and Lee University is indeed fortunate to have such a man as Dr. Cole as its president; for in him are combined the best qualities of educator, scholar and administrator, and it is with him that Washington and Lee will progress during the coming years.

The Debate Team's purpose is to acquaint its members with the principles of argumentation and to give them experience in oral discourse in competitive situations with other colleges and universities. Membership in the Debate Team is open to all undergraduate students enrolled at Washington and Lee. The University does not have a set debate team, for it is the policy of the University to give all students interested in debating, experience, regardless of ability.

The team enters from ten to fifteen tournaments a year, ranging from Cambridge, Mass., to Columbia, South Carolina. Approximately forty members have taken part in these activities this school year.

## Alpha Chapter

Established 1865 • Founded at Washington and Lee, 1865

The Kappa Alpha Order was founded in 1865 at Washington and Lee. Guided by the ideals and inspiration of Robert E. Lee, four men sitting around a table in what is now Robinson Hall created the "mother" chapter of the order. Since that time Kappa Alpha Order has grown and expanded until there are now over 80 active chapters in the United States. Here at Washington and Lee was the beginning of Kappa Alpha Order, which for thousands is now a way of life.

The brothers and pledges are now in the second year at the new house which used to be known as the "Reid White House." Through their striving and help of the alumni, it is now one of the most attractive houses here at W&L.

Kappa Alpha is well represented in all phases of campus life by its members. They are prominent in athletics, scholastics, and extra-curricular activities. In student government Roy Goodwin is the historian of the senior class as well as editorin-chief of the Tuesday Edition of the Ring-tum Phi: Goodwin is also on the battle group staff in the ROTC. Ed Croft is president of the sophomore class and on the Assimilation Committee and the Dance Board. Ken Greer, John Mullin, and Bill de are members of the Student War Memorial Scholarship Fund Committee. Mullin and Robin Norfleet are members of the Interfraternity Council.

Athletically, Alpha chapter is high on the list in intercollegiate contests, Ed Croft and Bob Henley are outstanding players on the football team. In wrestling Alpha is tops: Sandy Mersereau, a four year man, is captain; Herb Smith has a tremendous record; Mike Brumby, Sam Block, and Ken Greer are other standouts. Bill Ide and Brett Thackston are starters on the basketball squad; they are accompanied by Don Wallis and John White. On the freshman teams Bill Julian, Skipper Smith, Ashley Allen, Bill David, and Alan Hubbard are stalwarts, Duke Terrell is a soccer player.

In W&L's social light Kappa Alpha ranks high: John Mullin serves as social chairman. Bill Ide and Mullin are members of the "13" Club, Frank Jones and Bill Suggs are Mongolian Minks and in the Cotillion Club, John White, Mason New, Roy Goodwin, and Robin Nortleet are all members of Sigma. Mersereau is also a Mink.

Alpha chapter is indebted to its faculty adviser, Dr. E. W. Spencer, and to its gracious housemother, Mrs. J. M. Lewis, who makes the house a second home for the brothers.

Socially, the big event of the year was the annual Black and White Ball, along with several other house parties, including those at homecomings and Christmas.

This year marked the arrival of a new housemother to Mu Chapter—Mrs. L. L. Roane—to whom the Kappa Sigs owe much appreciation for all her help during the year, Professor Buford Stephenson again served capably in his capacity as alumni advisor to the chapter.

### Delta Chapter

Established 1920 · Founded at City College of N. Y., 1902

Delta chapter of Phi Epsilon Pi Fraternity made its entrance onto the W&L campus in 1920. Since then, it has contributed much to the varied activities and aspiration that make up the W&L way of life. This is in accordance with the ideals of Phi Ep: friendship and excellence of action.

Delta's pride this year, as in those preceding, bears upon the achievements of the big and of the little. Capturing the interfraternity scholastic trophy two semesters in a row and earning, collectively, a house grade point ratio previously unmatched was a paramount accomplishment, Delta's small ranks made thmeselves felt in almost every area of extra-curricular activity; we also fielded a pesky football squad, a bowling team, a midget-sized basketball crew, and have hopes for another good-field, no-hit baseball team.

A friend commented recently that, for its size, Phi Ep certainly packs a wallop. We contributed two business managers to two different publications and peopled, to a great extent, the staffs of these publications, Several brothers acted with the Troubadours and participated in Home Edition; PEP members are found in academic societies such as: Psi Chi, Phi Eta Sigma, Pi Sigma Alpha, AED, English Seminar Committee, PEP gave a president to the Glee Club and a chairman to the Independent Party.

Although the fraternity assumes new roles each year, there is one constancy which illustrates our success as a group, and that permeates life at Delta—this being embodied in the person of its housemother, Mrs. William C. Flournoy, "Mom" has served in this capacity admirably, loyally, and loyingly for twenty-three years. It is indeed a source of strength and a matter of pride that such a relationship has been perpetuated for so long.

Meade Christian is serving as junior representative to the Executive Committee in addition to being named for the Phi Beta Kappa Sophomore Award, Ray Robrecht is vicepresident of the student body and a member of ODK as is Don Partington, Both are writing for the Law Review, Steve Rutledge was the only junior chosen for Beta Gamma Sigma. and he is chairman of the Assimilation Committee, a member of Liberty Hall Society, the Commerce Fraternity, and Student Service, Hugh Trout serves on Student Service and the Cold Check Committee, Andy Nea is managing editor of the Ringtum Phi and Roger Paine is editor of the Southern Collegian. Ray Robrecht and Steve Rutledge were named to Who's Who in American Colleges and Universities.

This year saw fifteen Fijis returning as lettermen in their respective varsity sports while the chapter intramural program progresses eventfully with exceptional performances in golf and volleyhall

Socially the Phi Gam calendar is packed with excellent house parties and combos including football weekends, Champagne Formal, Fancy Dress, and the widely-recognized Fiji Island party of the spring.

Zeta Deuteron is especially appreciative of the assistance of its house mother. Mrs. Virginia Stover Smith, and of the helpful guidance of faculty advisors Dr. J. Ollinger Crenshaw and Dr. William G. Bean.

### Virginia Beta Chapter

Established 1855 • Founded at Washington & Jefferson, 1852

The Virginia Beta Chapter of Phi Kappa Psi is the oldest fraternity at Washington and Lee, being founded in 1855, and it is the third oldest of 64 national chapters of Phi Psi. This fall the fraternity pledged 12 men to its ranks.

The chapter is well represented in all phases of campus life. In sports Phi Psi had two outstanding players who donated their efforts in helping Washington and Lee's football team complete its second undefeated season. Jim Russ, a senior, played halfback, and Chuck Lane played quarterback and hasheen elected alternate captain for next year's team. Bart Mitchell was elected captain of the Lacrosse team with Ray Willer also playing on the team. Phi Psi's were particularly prominent on the swimming team, having Charles Hart, Mike Harris, Jim Wearn, and Walt McManus working hard for a successful season. Jim Russ and Chuck Lane were also out for baseball.

With the many extracurricular activities offered at W&L the chapter finds many of its members diversified through this segment of campus life: Peter Agelasto was business manager of the Ring-Tum Phi, Charles Hart and Paul MeBride were advertising managers of the Southern Collegian; in the Student Service Society the chapter had Peter Agelasto. George Van Sciver, Barry Staniar, Peter Alford, Jim Russ, and Charles Hart.

As always, Phi Psi enjoyed a gala social season with Jim Wearn doing a fine job as social chairman. This year Miss-Harriet Day was crowned Sweetheart which set off the winter season with a touch of beauty. The Spring Hawaiian Party and other informal house parties has given the chapter a sparkling social season.

Although no definite improvements have been added to the house, a beautiful rug has been laid in the living room and card room to add to the comfort of the chapter.

It would not be fit to close without acknowledging our charming housemother. Mrs. Carroll D. Evans, who has contributed in her twelve years with the chapter more than her share in unselfish services for the brothers.

### Pi Chapter

Established 1892 • Founded at University of Virginia, 1868

During the early spring of 1868, Pi Kappa Alpha was founded at the University of Virginia, Since that time the fraternity has expanded into a national organization of over 130 chapters. The Pi Chapter was started on Washington and Lee Campus in 1892.

Maintaining a prominent position at the University, the Brothers of Pi have continued their long-standing position of leadership on the campus. Special recognition was awarded to Bill Outman, president of the House, when he was elected to membership to ODK, Bill is also chairman of the Student Control Committee and is a member of #ho's #ho in American Colleges and Universities. Vice-president Cy Painter is treasurer of the L.F.C. and president of the honorary medical fraternity AED. While Cy continued on the Honor Roll for his third straight year, Tim Ireland earned the highest average in his freshman Law Class. M Painter was appointed captain of the R.O.T.C. unit's Gaines Guard, and Chet White received the Mahan Award for verse for the second year in a row. Dave Bevans lived in the Freshman Dorm this year as a counsellor and also served on the Cold Check Committee.

Out of the 18 fraternities on campus PIKA was seventh academically and first intramurally, winning the football, handball, tennis and softball championships.

In varsity sports Dan Blain finished his third year as offensive end and punter on the undefeated W&L football team, Elliott Maynard wound up his outstanding career in collegiate swimming as captain of Washington and Lee's team, while Bruce Houghton held down a position as the varsity squad's number one diver. Ken Kowalski excelled on the basketball team.

The traditional Christmas House Party was again a wonderful success, as was the theme party this year, patterned on a Roman feast. The Painter twin's "country retreat" was the scene of several rather "idyllic" week-ends, and the social season in general will always be a memorable one.

The brothers of Pi Kappa Alpha wish to extend their thanks to House Mother Mrs. Ruth Browne, who has provided unstintingly of her effort and understanding.

### Rho Chapter

Established 1920 • Founded at College of Charleston, 1904

Rho Chapter of Pi Kappa Phi was founded at Washington and Lee in 1920, sixteen years after the founding of the national fraternity at the University of Charleston. Since its beginning. Rho has had as its goal to be well represented on campus in fields of academic, social, athletic, and other extracurricular activities.

Pi Kappa Phi has established a worthy record in athletics this year. Brothers Farrar and Garretson ran on the crosscountry team: Jim Horton played varsity football and Terry Van Brunt was first string on the freshman team; and Ted Johnson and Kim Kimball swam with the varsity, Jim Wood and Terry Van Brunt wrestled: Charley Sweet and Howard Busse played varsity soccer; and Sandy Smith and Jim Horton played varsity baseball. Ron Steward, a consistent seventyshooter, was one of the golf team's strongest members.

Scholastically, the house, which stood third in the school at the end of last year, expects to repeat its high standing again this year, Brother Charles Niemeyer is a member of Phi Eta Sigma and the pre-med honor fraternity. Over a third of the chapter membership has Dean's List standing.

In other extra-curricular activities the Pi Kaps were also well represented in many fields. In the Glee Club are Brothers lacone, Jordan, Boother, McKinnon, Ivey, Hagestad, and Bright. Dick Kelly was elected to the honorary debating society and serves as treasurer of Sigma Delta Chi, and working with Radio Washington and Lee are Brothers Briede, Couch, Lynn, Kelley. Seav. and Broaddus.

The social season for Pi Kappa Phi has been full and diversified with a barn party and a pajama party in the fall. and the annual Rose Ball in the spring. Added to these were the combo parties on football and dance weekends and several other house parties-and, of course, grain.

Mrs. Dorothy H. Camp has contributed a great deal to the House during the first year of the many we hope she will serve as our Housemother. Mrs. Camp and our faculty advisor, Dr. Cecil Eby, and his wife have added immeasurably to our successful year.

The past year has been a highly enjoyable and successful one for the House. Pi Kaps have many diversified personalities and interests, all united in the brotherhood of Pi Kappa Phi.

### Virginia Sigma Chapter

Established 1867 • Founded at Alabama University, 1865

The Virginia Sigma Chapter of Sigma Alpha Epsilon was founded in 1867, just two years after the national fraternity was founded at the University of Mabama. In the years since, the men of Virginia Sigma have strived to achieve excellence in the fields of academic, athletic, social, and extracorricular activities

During the 1961-62 school year SAE's held many important posts on campus. Rosic Page was elected senior representative to the Executive Committee, while Bill Roberts was representative for the Publications Board, Lanny Butler was president of the junior class, and his younger brother, Syd, served as secretary of the sophomore class, Page also was elected president of ODK and chairman of SWMSFC.

SAE's continued to dominate the field of publications. Bill Roberts became the fourth SAE in the last four years to be editor of the newspaper. Robin Wood headed the business staff of the CALYN.

Many men of Virginia Sigma figured prominently in the school's athletic program. Nine members saw a great deal of action on the undefeated football team, and Tommy Keesee was elected one of the tri-captains for next year's team. Bip Fauber has been captain of the basketball team since his sophomore year, while Jud Bahcock and Dick Albert were members of the wrestling team. John Baker played number one on the tennis team, and Phil Sharp headed a delegation of four on the baseball team.

SAE was recognized for its leadership on campus by having four men elected to #Fho's #I ho, including Rosie Page, Bill Roberts, Phil Sharp, and Robin Wood, Roberts, Page, and Wood also were honored by being tapped for ODK.

The Chapter had a fine year socially, Every football weekend found a party at the house, while the Christmas House Party was better than ever, In the spring, Pajama Party and Spring House Party coupled with trips to Goshen Pass, added enjoyment and variety to the school year.

SAE's housemother, Mrs. Felde Wagner, retired this year, and men of SAE will forever be indebted to her for all that she has done for the Chapter over the past eleven years. The interest and help of faculty advisors, Dr. Jay Cook and Dr. James Starling, and of William Washburn and Dean Frank J. Gilliam have helped the house iremendously.

### Zeta Chapter

Established 1866 • Founded at Miami University, 1855

Sigma Chi was founded in 1855. Zeta Chapter was established at Washington and Lee just eleven years later, and since that time has strived to attain excellence in every phase of college life; academically, extracurricularly, socially, and athletically.

Sigma Chi's rush week was in the capable hands of John Refo, who was assisted by Mark Gee. The results of rush week are noteworthy of the co-operation shown by the brothers. Hal Holladay presided over the Pledge Class, with Les Pinsof and Tim Kurten as pledge trainers.

In athletics, Sigma Chi carried out its tradition of giving its all to the athletic department as evidenced by the new pool record set in the 440 freestyle by John Wolfe. Also on the swimming team were Nelson Williams and Bill Broaddus, Representing the house on the soccer team was Les Pinsof. The very capable cross-country and track teams had the services of Chi-Lodger Mark Gee, while George Paul and Sandy Ross gave their best to the varsity rifle team.

Extracurricular activities were also filled with Sigma Chis. Mark Gee used some of the wind he got on the track team to sing some mellow notes with the Sazeraes. Butch Kross received an award as an outstanding academic ROTC cadet. Bob Doenges had the highly respected job of president of the Interfraternity Council. Fred Baker was the vice-president of the Young Republican Club. Ruge DeVan and Bob Doenges represented the house in the "13 Club."

Socially the house saw no dull moments. Every football weekend brought a combo, and the Sweetheart Ball, Spring House Party, and the Monte Carlo Party proved to be the highlights of a fine social season.

High points of the year off campus were the Thanksgiving weekend in New York, the Spring pilgrimage to Florida, and the customary spring days at Goshen Pass and Twin Falls.

The successes of the year cannot be enumerated without our sincere thanks to our housemother, Mrs. Estell H. Rice, and Faculty Advisors, Dr. Kenneth Stevens and to Mr. John Gunn.

### Virginia Epsilon Chapter

Established 1906 • Founded at University of Richmond, 1900

Virginia Epsilon chapter of Sigma Phi Epsilon was reactivated at Washington and Lee just five years ago, having left the campus during the lean years of World War II, Since her reactivation, the Chapter has maintained a steady record of achievement in all phases of campus life, Nationally, Sigma Phi Epsilon, founded in 1900, is only half as old as most national fraternities, yet has risen to the position of second largest fraternity in the country. The present membership of Virginia Epsilon chapter stands at 48 men, 22 of them being freshmen who were pledged during a very successful Rush Week.

Sigma Phi Epsilon has made herself felt in most all of the activities, both academic and extra-curricular, on the Washington and Lee scene. Junior Jack Cover, chapter vice-president, was nominated for the presidency of his junior class, while chapter president George Peters was nominated for the office of historian of the senior class. Dan Balfour served as a Freshman Dormitory Counselor, as well as being a member of the Assimilation Committee.

In the field of athletics, Sigma Phi Epsilon has contributed her utmost. Doug Davis, Bruce Kurtz, Larkin Fowler, Jim Legg, and Robert Lee played freshman football, and junior John Culley lettered on the var-sity has-ketball team. One cannot speak of W&L athletics without mentioning Sig Ep junior Mike "Iron Horse" Shank, the Generals' track and cross-country star. Mike began breaking course records his freshman year and has not stopped since.

Moving from the realm of sports, Sig Ep Warren Wills was elected vice-president of the International Relations Club and iunior Bob Brown served on the Ring-tum Phi staff, Jere Cravens was a member of Phi Eta Sigma, and Russ Parrish. Dave Wolthorn, Woody Wise and Jere Cravens have been awarded Lee Research Grants for work in physics, military history, geology and chemistry, respectively.

Besides individual achievement, the Sig Eps boast a successful social season. A rousing Openings-Homecomings weekend was climaxed by our winning first prize for Homecomings Decorations. The Christmas Party. Fancy Dress Ball and Sweetheart Ball hold fond memories for the brothers, as well as many other combo and cocktail parties.

### Alpha Epsilon Chapter

Established 1920 • Founded at City College of N. Y., 1898

Alpha Epsilon Chapter of Zeta Beta Tan Fraternity became a recognized fraternity at Washington and Lee in 1920. Since that time it has established for itself a prominent position in all phases of university life.

Scholastically, Alpha Epsilon has always ranked within the top three fraternities at Washington and Lee, Last year the fraternity finished second with an overall 1.667 average, with eighteen men out of forty-eight making the Dean's List or Honor Roll, For the last two years, a ZBT has been Valedictorian of the senior class; in 1961 it was Brian Vitsky, and this year it was Joe Goldstein.

In campus activities the fraternity has been in a distinguished position. This year, Steve Galef served as senior Executive Committeeman and Ken Boiarsky as the freshman representative to that group. Galef also was president of the Washington and Lee Dance Board, president of the Student Service Society, and chairman of Liberty Hall Society. Tony Schlesinger was treasurer of the Interfraternity Council, while Joe Goldstein was editor-in-chief of the Calax, and chairman of the Student Library Committee.

Steve Galef and Joe Goldstein were both selected for # ho's # ho in American Colleges and Universities and for Omicron Delta Kappa, national honorary fraternity.

Tom Supak, Danny Markstein, and Jerry Dattel were members of the SWMSFC: Tony Schlesinger, Markstein, Dattel, Galef, and Jim Wallenstein of the Student Service Society; Joe Goldstein and Herb Salomon of the Student Library Committee and of AED, honorary medical fraternity.

Mike Sussman, Tony Schlesinger, Nicky Cohen, Art Portnoy, Bill Solmson, Mike Levin, and Joel Goozh were members of the Mongolian Minks; and Herb Salomon and Randy Cole of the "13" Club.

ZBT also participated enthusiastically in intramural sports as well as in varsity athletics, Stu Yoffe, Mike Levin, and Bill Angel played varsity football. Randy Cole and Dave Hyman played varsity soccer. Jim Wallenstein and Brian Dorsk were on the swimming team. Art Portnoy, Dick Coplan, and John Rosenberg were on the rifle team. Dave Hyman, Jon Supak, and Tom Supak were on the varsity basketball team; and Barry Greene was on the varsity baseball team.

Mike Sussman served as Alpha Epsilon's social chairman this year, Most memorable was the Fancy Dress Weekend when the ZBT's had Iluey "Piano" Smith and Buster Brown.

Mrs. Forrest Fletcher again served devotedly and faithfully as ZBT's housemother.

# Football

Washington and Lee reaped the biggest rewards of a six-year football rebuilding program in 1961, when the Generals rolled to a 9-0-0 record and recognition as the country's "Outstanding Small College Football Team." scoring 297 points to their opponents' 46, and placing five squad members on Little All-American teams.

For a school which only six years ago was on the verge of abandoning football completely. the success of the '61 Generals was little short of phenomenal, In 1956, when W&L had posted just one win in two previous seasons, only 20 boys showed up for fall practice. Crowds dwindled, and football interest fell to an all-time low. But head coach Lee MacLaughlin, who wasn't used to being on the losing bench, got to work on a rebuilding program, and by 1959, the Generals were winning again. They picked up three victories that year, and in the process began to attract spectators who hadn't shown up for a W&L game in years. But the big winning didn't begin until 1960, a year which saw the Generals unbeaten, but once-tied, in a nine-game schedule. Then it was 1961, and W&L's first undefeated. untied season since 1914.

Not since 1914, when Coach "Jogger" Alcock's South Atlantic Champions went undefeated and untied, had a General team met with such success, Linebacker Terry Fohs was named second team Little All-American, and Steve Suttle. Tommy Goodwin, Bob Payne, and Charlie Gummey all rated honorable mention.

Having practiced less than two and a half weeks, the W&L Generals appeared unsure of themselves as they faced Hampden-Sydney in the first game of the season.

in the first game of the season.

After the kickoff and an exchange of punts, Hampden-Sydney moved with ease to the W&L seven yard line, and scored two plays later when the Tiger's All-State end Bobby Saylor received a touchdown pass standing alone in the General end zone. Tackle Bob Payne smothered the conversion attempt, and the score stood 6-0. Hampden-Sydney.

The Generals came to life briefly in the third quarter, Steve Suttle's passing, aided by fourth-down catches by Tom Keesee and Jim Russ, moved the Generals to the Hampden-Sydney two. The Tigers held for three downs, but Russ finally plunged in for the touchdown. His extra point effort was successful, completing the day's scoring.

To the 3,000 fans at Wilson Field, however, the most encouraging aspect of the game was the defensive play of the W&L third unit. When the defensive statistics were tallied, the "Gold" team had held the Tigers to minus 10 yardage.

### Franklin & Marshall

The Generals hit their stride against Franklin & Marshall, utilizing extensive bench strength to defeat the Diplomats in their own Homecoming game, 40-0.

Steve Suttle started the scoring early in the first quarter when he bootlegged around left end on a touchdown play which covered 21 yards. In the same quarter, Charlie Gummey climaxed another General drive, crossing the EXM goal from the eight, Both two-point conversions were successful, and the score was 16-0 at the half.

In the third quarter, Gummey scored early, this time from the two, Later in the period, Jim Hickey, a 10-second man, received a Diplomat punt on his own 16, and sprinted 81 yards for the most spectacular touchdown of the day. Minutes later, third unit quarterback Cluck Lane ran 74 yards from the spread formation for W&E's fifth touchdown.

In the last period, sophomores A. J. Baranco and John Pearson combined talents on a 48-yard pass play, giving the Generals their final touchdown.

Playing before a large homecoming crowd at Wilson Field, W&L combined a powerful offense and an alert defense to win their 13th game without a loss.

Defense, backed by Charlie Cruger, Bart Dick, and Tommy Goodwin, kept Randolph-Macon from getting any closer than W&L 20 yard line. The Yellow Jackets could not do much better with passing, as they had almost as many passes intercepted as they completed.

Touchdowns by Gummey, Hickey, and Stu Yoffe gave the Generals a 20-0 lead by the end of the first quarter. Midway through the second period, quarterback Chuck Lane added another touchdown on a short pass, to Dong Martin

After the half, the Randolph-Macon defense stiffened, and the final two General touchdowns came after long drives. Sophomore quarterback A. J. Barranco scored on a one yard sneak, completing a 43 yard drive, while Lane's second touchdown came on the 19th play of an 81 yard march.

### W & L Johns Hopkins

38 6

On a rain soaked field in Baltimore, the Generals took the season's fourth victory as they downed Johns Hopkins 38-6. Hopkins had tied W&L in 1960, blemi-shing last year's otherwise perfect season.

W&L's first touchdown came almost immediately as the Generals, on the fourth play of the game, recovered a fumble on the Hopkins two yard line. Two plays later, fullback Tommy Keesee went over, the conversion was good, and it was 8-0 with less than two minutes gone in the game, W&L's offense continued to roll, and Martin scored to give the Generals a 16-0 lead early in the second quarter. Unable to move on the ground, Hopkins completed five of six passes, the last for a touchdown. The extra point was blocked, and the half ended 16-6.

W&L went on to add three more touchdowns in the third and fourth quarters. Using their speed and agility, Yoffe and Martin scored on long runs, but the most colorful play was a blocked punt-touchdown by tackle Bob Payne.

Keesee, Voffe, and Wartin gave W&L a 22-0 first quarter lead, and two more scores made it 37-0 at the half. From here on the third and fourth teams played and got valuable experience. These units, however, were no less effective, as they rushed for 188 yards, more than half of the 323 yards gained and held the Colonels to almost minus vardage, Two sophomores, Jay Norman and A. J. Barranco, scored the second half touchdowns, while Jim Russ kicked his first field goal of the season, Remaining stingy as usual, the General defense allowed Centre a total of one yard rushing.

### Emory & Henry

In a game that could well have been the turning point of the season, the Generals defended their record against Emory & Henry, Using depth and scoring in all four periods, W&L won, 27-6, and became the undi-puted power of Virginia's small colleges.

By the beginning of the second quarter, the Generals had turned a fumble into a touchdown and led. 8-0. But in less than two minutes, Emory & Henry had scored and was threatening again. A spectacular 79 yard punt return had made the score 8-6, and an intercepted pass had given E & H the ball on the W&L 21, From there, however, the Wasp offence came to an abrupt halt. Payne made several jarring tackles. while Gummey ended the drive by intercepting a stray E&H pass. Later in the quarter, Payne scored on his second blocked punt-touchdown of the season, and it was 14-6 at halftime.

But W&L's depth had begun to make the difference. Emory and Henry did not threaten scriously again, and Martin and and Henry and not littleader scriously again, and various and Dave Tharp ended the scoring Defense, the secret of the Generals' success, was led by Terry Fohs who was credited with over 20 tackles.

After this game, Washington and Lee was recognized by a national sports magazine as "The most successful..., of all schools that have decemphasized their athletic programs."

W & L 26 Sewanee 8

By defeating previously unbeaten Sewanee, Washington and Lee extended its winning streak to 17 games, and preserved its 14th place ranking among the nation's small colleges.

Victory did not come easily, however. During the first half, the Generals were repeatedly stalled by the determined Tigers. The only points came on a 36 yard field goal by Jim Russ, making the score 3-0 going into the third quarter. Taking the second half kick-off, the Generals went on to

In the final two periods, Frederick made only one first down, while W&L drove 79 and 44 yards for touchdowns. The third score came soon after the half, as Russ plunged over from the one. Martin followed in the fourth period, scoring on a four yard sweep.

Washington University 20

The Generals wrapped up their first unbeaten season in 47 years with a 33-20 Thanksgiving Day victory over Washington University in St. Lonis, Sluggish after a six-hour bus ride and only five hours sleep, the Generals spotted Washington a 20-6 lead mid-way through the second period. Wintutes later, a 77-yard touchdown pass play from Lane to Hickey made it 20-12 at the half.

In the second half, while the W&L defense cut off Washington without a score, quarterback Steve Suttle directed three touchdown drives which gave the game and an undefeated season to the Generals. Suttle plunged over from the one in the third period, and Doug Martin added two extra points to make the score 20-20. Then Charlie Gummey, who had scored the Generals first touchdown of the day with a 50-yard run early in the second quarter, shook loose for a 19-yard TD, putting W&L ahead for the first time at 26-20. With only seconds remaining in the game, Martin finished off the scoring with a four-yard touchdown set up by a spectacular 15-yard run by Suttle. Jim Russ added the extra point, and it was W&L 33, Washington 20.

When the 1960 soccer season was finished, Coach Joe Lyles was very optimistic about the 1961 season. Many of the team's standout performers were returning. The prospects were very bright for a successful season and possibly even the state crown.

The dreams of Coach Lyles for his best season as soccer coach at Washington and Lee were quickly shattered. Four of his key players failed to return to school this year. During the season Dunlop Ecker. Tom Clemens, and Jim Starkey, all key players, suffered injuries. This left the soccer team with a few capable and experienced players and a group of eager freshmen.

The schedule was a tough one including four Atlantic Coast Conference powerhouses and perennially rugged Lynchburg College. The Generals put a very young learn on the field against this top-notch competition. The team, which improved as the season progressed, compiled a 3-8 record.

The Generals were led by Dave Knight and Tommy Green. Knight, an outstanding center forward, set a new W&L record with 15 goals, Green, a superb goalie, was named to the All State squad on his performance at the state tournament. Knight was also named to the squad.

Among the outstanding freshmen were Steve Hibbard. Gill Slingerland, Charlie Sweet. Bruce Jackson, Howard Busse, and Pete Preston. These boys plus a fine freshmen squad will make up the nucleus of the 1962 Generals. If all goes well, prospects for next season are very bright.

# Cross Country

This year, under the leadership of Coach Miller and of Captain Mike Shank, the team finished its third consecutive, and its best post war winning season with a record of seven wins and two losses. The team also captured fifth place in the State meet, Coach Miller praised the team for doing so well this year, and he asserted that the course at W&L is one of the toughest in the area. This year's cross country standout was Mike Shank. The "iron horse" set a new school course record by covering the 4.1 miles in 24 minutes and 20 seconds. Out of nine meets. Shank took first place in all but one, and here he took second. Coach Miller complimented the fine depth he had on the team with men such as Dick Rogers, Andy Kilpatrick. Norm Youngblood, and Ed Garretson, Also Mac Brownlee. who along with Shank will be co-captains for 1962. finished behind Shank for W&L in every meet. In cross country, the lowest score wins. The Generals defeated Randolph-Macon (43-18), Lynchburg (56-52), Fairmont State (37-20), Richmond (43-18), Dickinson (47-46), also Pfeiffer and Hampden-Sydney forfeited with scores of 40-15. W&L lost only two meets, to Bridgewater (52-21) and to F&M (46-21). Climaxing a fine season. Mike Shank was voted by his coach and teammates as the recipient of the Forest Fletcher Cross Country Trophy.

# Riflery

Although the Washington and Lee rifle team did not have too successful a season the standard alibit that it was hampered by injuries was not used. The team, coached by Sgt. John Matthews, did very well in view of the inadequate practice facilities. Since W&L has no rifle range, the team was required to practice at VMI. Many times these facilities were not available and the team had no place to practice. The members of the team were unable to reach their full potential because of this poor practicing situation.

This year's schedule was composed of two types of matches, shoulder and postal. In shoulder matches where the opposition was faced in person, the team compiled a record of two victories and six defeats. The two wins were over Georgetown University and George Washington University. In postal matches where the scores were mailed to the opposition, the Generals won 21 while losing 14. Schools such as Auburn, UCLA, Clemson, TCU, and Tennessee were met during the year in postal matches.

The freshman team had a poor record, but a successful season. They faced very stiff competition in the local military schools and other freshman teams. Considering the caliber of their competition, they did better than expected.

Some of the top performers were Dave Auld. Art Portnoy, John Rosenberg, Alan Wiley, Jim Austin, Jeff Lasher, and Richard Coplan, With several of these returning and some good freshmen the prospects for a very successful season next year are bright.

The 1961-62 swimming team, under Coach Norris Eastman, was highlighted by great individual performances and six new University records. Against tough competition throughout most of the season, the team lost only to Maryland and Pittsburgh and tied William and Mary. In the meet with East Carolina, Washington and Lee won its most exciting contest to end its 3-2-1 season.

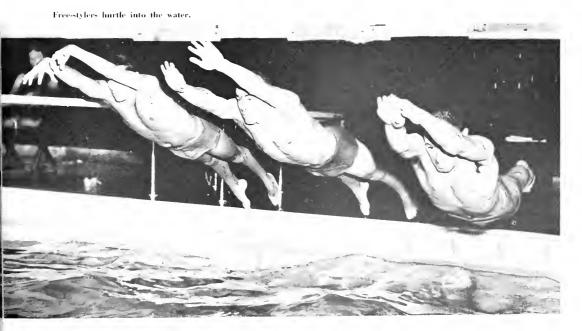

Captain Maynard not only led the team as its captain, but also was the leading scorer with 63 points for the season. He was followed in scoring by Charlie Gummey with 54, then by Herb Jahncke and John Wolfe with 51 each. The combination of points compiled by these four swimmers made up about a third of the total team points. These swimmers also took part in setting the six new University records. In the 400 medley relay the combination of Harris, Maynard. Stull, and Gummey produced a record breaking time of 3:52.6. In the 220 yard free-style Jahncke set a new record of 2:13.5. These records are all the more impressive, for Gummey. Stull, and Jahncke had never entered swimming competition before coming to Washington and Lee. Jahncke also set another record in the 200 meter individual medley at 2:13.5. Captain Maynard now holds two individual University records after swimming a 2:18.5-200 yard butterfly, adding to his last year's record in the 200-yard breaststroke. In the 440 yard free-style, John Wolfe, an outstanding freshman, as well as a top varsity scorer, set the record at 5:13.5. The final record to fall to this past year's team was in the 400 yard free-style relay when the team of Gummey, Jahncke, Benn, and Monsarrat swam the race in 3:24.0.

When W & L opened against Virginia in early December. Coach Bob Henry had only four previous lettermen, including one returning senior. The Generals, with their tallest starter at 6' 2", were young and anxious while the Wahoos were intent on setting straight last year's upset. W & L dropped the game 32-53, and with inexperience the main problem, went on later to finish the year with a 6-11 record. Lack of experience led to a lack of consistency, as the Generals scored 53 points one game, 99 another, won six out of nine home games, yet lost all eight contests on the road. Defense became the best offense against taller, stronger rebounding opponents, but even here inexperience showed through. In dropping five out of the last six games, W & L allowed other teams no less than 70 points a contest.

But the basketball future is far from dim. With a majority of freshmen and sophomores. Coach McHenry feels that this year's team has learned and developed more than any other squad he has coached. Sophomore Tom Supak, a transfer from William and Mary, played his last eleven games with an 18.3 average and became the team's top individual scorer with a 15.1 average. Completing his third season with the Generals. Captain Bip Fauher averaged 14 points per game and was selected as next year's captain, an honor he has held since his sophomore year.

Freshmen Louis Paterno, Gene Pearce, and Dick Livingston were outstanding throughout the year, and with them Coach McHenry hopes to mold a nucleus for successful seasons to come.

Although the 1961-62 basketball season was a dismal one for the Generals, who compiled a 6-11 record, there were stellar team and individual performances.

W & L's second victory of the season, an 86-79 win over Franklin and Marshall, displayed an outstanding offensive team effort. The Generals took command in the first half and never relinquished the lead. Captain Bip Fauber netted 31 points and captured 23 rebounds, while Bill Ide added 20 points and Lou Paterno scored 14 for the night.

A pressing defense and outstanding individual performances gave the Generals a 71-58 win over William and Mary of Norfolk. Tom Supak and Paterno, the backcourtmen for the Generals, combined efforts to score 22 of the team's 37 points in the first half. This combination scored 21 and 22 points respectively for the game, which ended in a 71-50 score.

In the eleventh game of the season, the Generals held off a second half surge by Roanoke College to win 77-75, and lift the team record to a 5-7 mark. W & L's 42.5 per cent scoring average gave them the half-time advantage at 10-33. During the second half-Roanoke slowly cut the margin, threatened to tie the score, but could never pull any closer than the final two points. Bret Thackston sank 11 points: Fauher, the game's top scorer, added 25; while Tom Supak and Paterno netted 18 and 14 respectively.

Homecourt confidence and a solid 17.3 per cent shooting average from the field allowed the Generals to score 63 points in the second half and crush Emory and Henry 99.81, Behind early in the first half. Washington and Lee took the lead on Bill Ide's jump shot, making the score 20.18 but relinquished the lead to the Waspswho held a 39.36 advantage at the end of the first half.

Varsity wrestling this year again had a commendable overall record of seven wins and three losses. It was a team which was one of the best balanced in years, not weak in any of the weight classes.

Coach Miller said that the members of the team "were one of the finest group of individuals I have ever coached. They were well dedicated to their sport . . . The attitude of the boys was excellent." As far as their coach was concerned, they were ready for all matches throughout the year. The team relied more upon speed than strength or ability.

In the individual matches the varsity had a record of 45-32-3. Outstanding members of the team were West, Stover, Winfield, Montgomery, Mersereau, Smith, Albert, and Babcock, Montgomery and Mersereau were the team co-captains. The tri-captains for next year's team are Montgomery, Albert, Babcock.

The individual leader in pins for the year was Smith who pinned six men in seven matches. The team was also aided greatly by Boiarsky, Brumby, Dickinson, Rodgers, Owens, Kratzig.

The Mathis War Memorial Award, which goes to the outstanding wrestler of the year, went to Sandy Mersereau. This is the third year in a row that he has received it, with an overall record of 28-8-1. The Captain's and Coaches' Trophy, which goes to the outstanding freshman, was won by Tom Stover.

Since 1921 the varsity wrestling team has won 187 dual meets, lost 93, and tied 6.

Captain Jack Vardaman and Coach Cy Twombly.

Enjoying another winning season, Coach Cy Twombly's golf team finished the year with a 7-2 match play record. In tournament play, the Generals placed fourth in the State Intercollegiate at Hot Springs as captain Jack Vardeman ranked third in the individual honors. In the Greenbrier tournament, W&L placed fifth, with sophomore Warren Hughes being the standout.

Washington and Lee opened the season with three consecutive victories. In the first one against M.I.T., Vardaman chipped and putted beautifully, leading the team to a 6-3 margin. After defeating Virginia 6½-2½, the team played Lynchburg College and defeated them by the same score.

The Generals then traveled to Richmond where they took the first loss of the season, 5½-3½. In the next match, however, Ronnie Stuart shot a 71 under wet and rainy conditions to lead the team to an  $8\frac{1}{2}$ -½ victory over Hampden-Sydney.

In probably the most outstanding team effort of the year, the Generals met William and Mary in Lexington and defeated them 6½-2½. Then the team went on the road for two matches, winning the first one over Roanoke College, but losing the second to George Washington 5½-3½.

The Generals ended the season in a match against Randolph-Macon, beating them handily 10-0.

# **Tennis**

After almost no pre-season practice due to foul weather, the Generals lost the opening match to Colagate, but then won three straight, en route to a 6-1 record for the year. After Colgate, Coach Washburn's team defeated Lynchburg and West Virginia by 8-1 scores, and edged George Washington 5-4. The George Washington victory was not decided until the third set of the final doubles match, with Albert and Smith winning, 6-2, 3-10, 6-3,

On Monday after the Spring dance set, the Generalresumed play, meeting a powerful Duke team. The Blue Devils behind the ACC singles champion were too strong, and Washinton and Lee went down, 9-0.

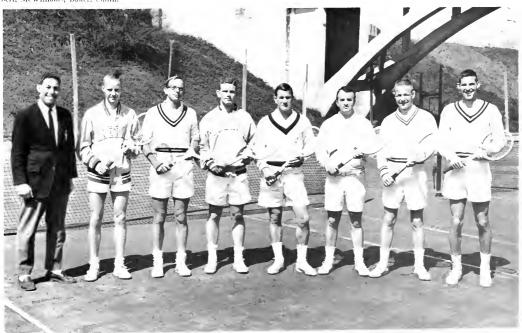

Playing in the rain and with the absence of Valentiner, the Generals dropped the next match, 5-4, against Randolph-Macon, Freshman John Baker played excellently in the losing effort, defeating his opponent in close sets. This match, however, was taken from the records because of weather conditions.

After beating Richmond with little trouble, the Generals dropped a 5-4 decision to William and Mary. Valentiner and Mell both went three sets in the singles before losing to their opponents. The situation was reversed against Roanoke, however, as Melf and Wilbourne went three sets to win their singles, while the team scored a 5-1 victory.

Fielding only two seniors, a rather inexperienced General team opened the season against always powerful Maryland. In the contest on Wilson Field, the Blue defense, braced by John Dinkel and Bart Mitchell, could not contain the visitors' polished attack, and lost 22-4.

The second game was against a combined Oxford-Cambridge team, the first European squad in the States for decades. In the outstanding single effort of the season. Ray Gordon netted six goals and guided the stickmen to an 8-5 victory.

Attackmen Ray Miller and Jim Powers, with seven goals between them, led the team to its second victory of the season, defeating Loyola 14-6. Again, the heavy stick-work of Dinkel and Mitchell was important in the win.

Freshman Johnny McDaniel was the standout in the Generals third victory, 9-2, over North Carolina. McDaniel scored two goals, and later finished the season as Coach McHenry's most improved player.

The final game, although a loss, was the high point of the season. Trailing Virginia 8-0 in the third quarter, the Generals scored six goals in an inspired effort before losing 12-6.

Although Coach McHenry was a little disappointed with the losing season, he had nothing but praise for several of his men, especially captains Tracht and Dinkel. In post-season play, Dinkel was selected to play as a defenseman in the North-South All-Star game at Annapolis, and was commended for his fine effort.

For the first time in three years and the third time since 1952, the Washington and Lee baseball team had a winning season with an 3-4 record. The team, led by Coach Lyles. Assistant Coach Leslie, and Captain Ned Hobbs, showed continual hustle throughout the fine season.

The season started off slowly as the Generals lost their two opening contests. The Generals, led by Ned Hobbs' two hits, lost an extra inning decision to Elon. North Carolina State, Atlantic Coast Conference powerhouse, completely routed the Generals 13-2.

Behind the four-hit pitching of Phil Sharp, the Generals charked up a 6-0 win over Harvard. The Generals, having difficulties getting base hits, relied upon precision bunting and base-running to score their runs. Bob Williams led the team at bat and in the field.

In their next two games, the Generals bats began to boom, Roy Carpenter pitched and slugged the Generals to a 6-1 victory over William and Mary, Freshman Penn Way chalked up his first win of the season against Norfock William and Mary, Ned Hobbs led a five run outburst in the eighth inning to secure the victory.

The Generals closed out the season with two wins over Hampden-Sydney. The first game saw the Generals win a ten inning affair 6-5. In the season's finale. Roy Carpenter went the route to garner a 4-2 victory. Dob Williams and Roy Carpenter supplied the hitting punch. With this victory, the Generals closed out a very successful season with an 8-4 record.

The Washington and Lee track team, guided by Coach Norm Lord, "scalped" eight opponents and drove on to an undefeated season. This year's team faced only one serious rival—Wake Forest—on its way to an undefeated season. The Generals topped Wake Forest 78-53.

The Generals roared off to a rocket start in their opening meet as they blasted High Point 104-36. Captain Jim Hickey. Mike Shank, and freshman Robin Kell paced the Generals win with two firsts each. Hickey came home first in the 100 and 220 yard dashes. His 100 time of 0:9.8 seconds tied the school record. Shank, W&L's top distance runner, sped to wins in the mile and two mile. Kell tied for first in the high jump and captured a first in the hop, step, and jump.

The Generals had their best meet of the season as they whipped Lynchburg College. Last year's best times and distances took a heavy beating as 16 marks were bettered. Jungle Jim Hickey led the way as he sped to a new W&L record in the 100 yard dash with a time of 0:9.75. Skip Essex bettered the 880 record by 2 seconds with a 2:00.3 run.

Jim Hickey, Mike Shank, and Ed Croft were all "double winners" as W&L won its eighth consecutive meet by defeating Randolph-Macon. Henry Sackett was the day's top performer, capturing the broad jump with the longest jump of his career—21' 81%".

# Freshmen

Facing an extremely difficult schedule, the freshman football team began the season with a new coach and many inexperienced players. The season cannot be termed successful, but several factors should be considered in reviewing the year. As is true of most freshman teams, the squad was comprised of men who had never played together, making inexperience possibly the greatest handicap to success.

Coach Dana Swan, previously at Swarthmore, came to Washington and Lee this past fall. As the new freshman football coach he was assisted by two Washington and Lee law students, Bill King and Tiny White. King, former U. Va. star, took over the coaching of the backfield, while White, outstanding in W&L football himself, coached the line.

The team elected tri-captains for the 1961 season. These three players were outstanding in their playing as well as in their leadership. Skipper Chase, a powerful runner in the halfback position, came to W&L from Kentucky, where he had been an outstanding player. Dan Manson, a Martinsville High School star, filled the fullback position, and was rugged in both offensive and defensive positions. Chuck Long led the offensive line from tackle.

Throughout the season the Baby Generals were hampered by injuries. Most of these were not serious, but they helped to make the road to success nearly impossible. Greg Sharkey, a defensive end, was injured early in the season, leaving the team with a serious vacancy. He later returned, as did some of the other injured players, and the Baby Generals began to look much better late in the season.

The team was primarily a running team, although it sometimes relied upon the pass catching ability of Bill David, who scored the lone touchdown of the season. Defensively, halfback Gordon Gay must be commended for averaging seventeen tackles per game.

First Row, Left to Right: Van Brunt, Fowler, Davis, Sharkey, Lee, Jamison, Brown, Stone, Lamb, Second Row: Swan (coach). Molyneaux, Julian, Lee, Gay, Chase, Manson, Kuttz, Allen, Cargill, Hubbard. Third Row: David, Moore, Jennings. Stauffer, Legg, Ernest, Long, Simpson, Bradbury, Jernigan, Kannapell (manager).

First Row, Left to Right: Delayan, Rasin, McNew, Baither, Grant, Slag, Jung. Second Row: Byrne, Casey, Terrell, Kelley, Sweet, McLauren, White, Warner, McFall (manager). Lyle, (coach).

Before 1961, organized soccer, besides that of the varsity, had never been played at Washington and Lee University. The purpose of the freshman team was to get soccer more organized.

The team had a first year record of five wins and two losses. There were many standouts on the team such as Morgan Kelly, Duke Terrell, Elien Warner, and Jim Slay. Of these, Jim Slay, who only placed through part of the season, showed promise to be one of the best left forwards in many years at W&L. He also led the freshman team in scoring.

It is hoped that these hove who played freshman soccer will provide much help to the varsity next year.

This year's freshman basketball team ended its season with a 7-7 record. The team got off to a tremendous start, winning seven out of its first eight games. The last six games of the season resulted in a loss to the Baby Generals. Victories were seen over Fork Linion Military Veademy, Creademy, Creademy, Military Veademy, Mulitary Veademy, Mulitary Veademy, Mulitary Veademy, Outstanding on the team were Jerry Kowalski, Dick Livingston, and Howard Korman.

Coach Joe Lyles attributed the sudden decline of the team at the end of the season to "exams. Help Week, and a general disorganization and lack of desire." However, it should be pointed out that all of the losseof the team were quite close with such scoreas 61-62 in favor of Augusta Military Academy and 69-71 in favor of Staunton Military Veademy. FIRST ROW, LEFT TO RIGHT: Verner, Madison, Kowalski, Livingston, Brown, Short, Scoon Row: Woodward, Haeberle, Mosbaugh, Tabb, Saunders, Lyles (coach).

"Fight to the finish, we are with you... When Washington and Lee's men fall in line... for the University... will ever wave in triumph... voll old Sweet Briar on the sod... Rah! Rah!!... Circle the end and hit the line right hard."

Throughout this 1962 Calyx we have presented pictorially a panorama of the progressive spirit of our University, as recorded in our fight song, *The Washington and Lee Swing*. Not only has this ever-present spirit manifested itself in the intellectual, cultural, and social aspects of our campus life, but it has also been evident in our rapidly expanding physical plant. It is only fitting that our graduating class of 1962 witness the final phase of a building program—a program which has more than doubled the size of our campus in the four years that these men have been here at Washington and Lee.

Came cheer for Washington and Lee
We're going to win another victary.
The White and Blue we will ever wave in triumph
For the University. Rah! Rah! Rah!
Fight to the finish, we are with you,
Break through the line on every play,
Rush the ball an down the field,
And we will win this game taday

When Washington and Lee's men fall in line, We're going to win again another time. For W & L, I yell, I yell, I yell.
And for the University I yell, I yell, And we will fight, fight, fight for every yard, Circle the ends and hit the line right hard, And we will rall old Sweet Briar on the sad. Roh! Rah! Rah!

#### THE MOON... and beyond!

Bright, new horizons await today's students . . . new technologies . . . new medicines . . . even the moon and what-

ever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.
